Dear Sirs:

This letter is to inquire about any record service that you might have.

Station WCSR, Smith Radio, broadcasts to over 2200 students and faculty six hours a day five days a week, and we are interested in enlarging our present program and music schedule. Therefore we would appreciate any information that you have concerning free record, either advanced releases or records on hand.

Thanking you for your courtesy,

I remain
Yours sincerely,

Patricia Bradford Butler
Station Manager
